Dear Dr. Balachandran,

This letter is to notify you that the Applied Silver organization is a recipient of C Diff Foundation's "Making a Difference" Innovations in Infection Prevention award.

The C Diff Foundation recognizes Applied Silver's Innovation in SilvaClean ® technology and the importance it serves within the Infection Prevention community.

Applied Silver exhibits unique strength in the Infection Prevention community. This has been demonstrated by driving down healthcare-associated infections and by charting a new course never traveled before by working with the professional sporting organizations. It has been immensely gratifying witnessing the positive impact Applied Silver has developed with the organizations. We believe that patience and tenacity helped things progress this far and we believe that it will remain for continued success in health care settings and beyond.

It will be with great pleasure to present the Applied Silver organization, and colleagues, the "Making a Difference" Innovations in Infection Prevention award on Wednesday, November 11<sup>th</sup> at 7:00 p.m. at the Hilton Boston Logan Airport Hotel – Welcome Reception for the 8<sup>th</sup> Annual International *C. diff.* Conference and Health EXPO. The honored guests will have the opportunity to learn more about your positive contributions in the Infection Prevention community.

Once again, thank you so much for your contribution and for making a difference in the Infection Prevention community worldwide. We are truly grateful.

Best wishes,
